ARID ZONE ECOLOGY FORUM

25 - 28 August 2003
Kathu Sport & Recreation Hall
Kathu, Northern Cape Province

GUIDELINES FOR POSTER PRESENTATIONS

This year there will be no oral presentation of posters, but provision will be made for extended poster viewing sessions.

Posters should remain on the poster boards for the duration of the conference.

PLEASE CONSIDER THESE HINTS:

1. Posters should be placed on a light-weight backing board as they will be attached to poster boards.
2. You will be responsible for putting up your poster and only thumb tacks, pins, prestik or doubled-sided tape will be allowed.
3. All poster contents should be legible/visible at 1,5 m.
4. Keep it simple, with clear pathways. Use figures rather than tables.
5. Text should be kept to a minimum.
6. The poster should be eye-catching and stimulating.
7. A viewer should be able to read and understand the poster in less than two minutes.
8. Maximum size: Width 800 mm - Height 1200 mm.
9. Include your name and affiliation on the poster.
