Managing herbivory in Camdeboo National Park – approaches and challenges.
2. Shirley Grindley & Rachel Hobson:  
Well-respected local farmer, Walter Murray, will take delegates on a walk around his family farm, Bloemhof, while discussing the impacts of stock and game on the Karoo.
3. Wallie Stroebel & Sue Milton  
Discuss and demonstrate approaches to solving sheet erosion problems in karoo rangelands.
4. Barbara Mashope & Maryke Stern & Maitland Seaman:  
Alien invasions in the Camdeboo and non-perennial riverine ecology
5. Jan Vlok:  
Jack and Jill went up the hill and found,  
dead aloes and ... Spekboom seedlings!

NB for field trips:

Try and share lifts and minimize the amount of cars travelling in convoy

Take extra water

Make sure you have comfortable walking shoes, a hat and sunblock on

Take lots of pictures so that we can use them on the AZEF website
